Terms of Payment

Your forum registration is not guaranteed until payment in full has been received.

Payment Policy

Registration payment is due January 17th and includes all scheduled lodging, conference meals, refreshments, receptions, and registration/forum materials.

*** A late registration option is available after January 17th at an additional fee (Please see FORUM PRICES). Your registration will not be confirmed until payment is received.

Cancellation Policy

All cancellations must be submitted in writing three (3) weeks prior to February 7th. Any cancellations received after Jan. 17th may result in a loss of registration fee. Registrations may be transferred to another qualified individual upon written request.

International Attendees

If you do not hold a U.S. passport or a passport from visa-waiver countries, you are strongly encouraged to contact the nearest U.S. embassy or U.S. consulate as soon as possible to schedule an interview for a visa. The visa process can be lengthy. You **MUST** have a valid visa to enter the United States. EquipXp cannot provide any additional assistance concerning procurement of a visa. The decision to grant a visa is wholly a matter for the U.S. embassy in your country.

Thank you for registering for the International Investment and Finance Forum for Projects, Development, Trade, and Capital Equipment. If you have any questions, please contact us at: info@equipxp.com

U.S. International Investment and Finance Forum for Projects, Development, Trade, and Capital Equipment

HOSTED BY:

E Q U I P X P

and NCF Investments Inc.

February 7–9, 2007

Doubletree Guest Suites at The Galleria

Houston, TX USA

EquipXp LC and NCF Investment Inc. will host the first U.S. International Investment and Finance Forum for Projects, Development, Trade, and Capital Equipment.

A delegation of business executives from Nigeria, Niger, Ghana, Benin, Angola, and other Sub-Saharan African countries will travel to Houston, Texas, USA for the U.S. International Investment and Finance Forum for Projects, Development, Trade, and Capital Equipment.

Good economic management can make a contribution to poverty elimination, but only widespread strategically-placed business investments, made in a spirit of partnership with the government and the private sector can create sustainable wealth.

Having recognized this crucial point, EquipXp LC and NCF Investment Inc. will be hosting the first U.S. International Investment and Finance Forum on Projects, Development, Trade, and Capital Equipment. The primary objective is to promote and encourage investments into Sub-Saharan African countries.

Attendance will involve participation in workshops that will train business men and women, consultants, and key government officials on the best practice models for ensuring the full financing of their projects. Participants will also have the opportunity to discuss new investment opportunities in Sub-Saharan African countries and review U.S. based investment and financing opportunities.
